Notes, Decisions, Issues			
Topic	Discussion		Follow-up
Welcome and Introductions <i>Joanie Klayman</i>	Joanie welcomed the advisory committee members and guests.		N/A
Service Locator Tool: OpenBeds Reporting Capacity <i>Nishi Rawat</i>	<p>Dr. Rawat presented on the reporting capabilities of the OpenBeds Behavioral Health Solution's Public-Facing Portal and Provider-Facing System at both the local or organization level as well as the view across the state. These levels of reporting allows for alignment among all stakeholders including hospitals, treatment providers and the state.</p> <p>Discussion: The focus of the discussion centered on steps that will help facilitate working with providers in an effort to integrate with current reporting systems and avoid duplication. Recommendations for consideration include:</p> <ul style="list-style-type: none"> • Identify the Electronic Health Record/Electronic Medical Record (EHR/EMR) landscape used by primary care and behavioral health providers and identify opportunities for integration. • Identify where and how behavioral health providers are currently reporting data that is also captured by the OpenBeds Behavioral Health Solution (e.g. waitlist, bed capacity, referrals). • Leverage existing State reporting systems. • Coordinate with Maine 2-1-1 		Recommendations will be addressed as we move forward.
Updates: MMA-CQI: SUPPORT for ME Training and Technical Assistance : Project ECHO <i>Kayla Cole</i>	<p>MMA-CQI has launched the SUPPORT for ME Technical Assistance (TA) & Training : Workflow Improvements for MAT Providers (office hours, technical assistance to practices and Project ECHO training).</p> <p>The Project ECHO is open to behavioral health providers as well as primary care providers.</p>		N/A

	<p>Registration for the SUPPORT for ME Project ECHO continue to be accepted.</p> <p>For more information, contact Kayla Cole at KCole@mainemed.com or refer to: MMA-CQI: SUPPORT for ME Technical Assistance Registration</p>	
TeleSUD Toolkit Update <i>Danielle Louder</i>	<p>The SUPPORT for ME TeleSUD Toolkit is now available online for CEU/CME credit.</p> <p>We are promoting the TeleSUD Toolkit through various NETRC and partner communications, websites, etc. and would appreciate any additional promotion as appropriate.</p> <p>Click the link to access the SUPPORT for ME Telehealth and Substance Use Disorder Training and Toolkit.</p>	<p>NETRC will maintain and update the SUPPORT for ME TeleSUD Toolkit beyond the grant period.</p>
Youth and Young Adult Survey Update <i>Lindsey Smith</i>	<p>The Youth and Young Adult (age 12-21) SUD Survey is currently in the field.</p>	<p>Survey will remain open in an effort to obtain more responses.</p>
CMS Updates <i>Joanie Klayman</i>	<p>CMS has informed Grantees that we may apply for a No Cost Extension (NCE) to complete our planning grant activities beyond September 29, 2020. If granted, it would allow for more time, however, does not include any additional funds.</p> <p>CMS will be releasing a Post Planning Grant Application at a future date.</p>	<p>Maine anticipates applying for a NCE.</p>
Adjourn		<p>Next Meeting: July 12th, 2021</p>
